

H.E.L.L.O. from Harwood Manor Sept. 2021

{Harwood Manor's. Events. Life. Leisure. Opportunities}

It is no secret that I LOVE music and I feel that it is such an important part of our lives. So imagine how ecstatic I was when we were able to hosts a few concerts the past two months.

Beginning with:

*"Harp to Heart"* ...showcasing the talents of a professional concert harpist *Gianetta Baril*. Travelling from Alberta, she has a customized van that not only transports her beautiful harp, but she performs from the van. She entertained us with a mixture of music from various movies and some old-time favorites.

Catholic Family Services

*Faith Gaertner*

*"Que Sera Sera"*

*Keegan Isaac*

A 17 year old multi-talented musician who plays the keyboard...the fiddle...and sings wonderfully. Performing hits from Elvis...good old country...and some gospel songs.

Curtis Avery

The residents @ Harwood Manor have been enjoying the fresh garden vegetables that have been graciously donated, purchased from the farmers market, or grown in our own back yard.

A variety of board games & cards are always a huge hit on a rainy afternoon.

...and everyone's favorite

Spending the afternoon bottling our homemade wine.

We offer a variety of activities for the residents to choose from...keeping us both physically and mentally challenged. Submitted by Donna Van Dijk Recreation Co-Ordinator
