OCTOBER BIRTHDAYS

October 6 – Eileen Horsman

October 13 – Mary Bakken

October 18 – Dahlton Lewis

October 23 – Denis Hallberg

October 26 – John Sidloski

We will be celebrating our October birthdays on Tuesday, October 25 at 3:00pm in the Family Room!

Join us for a spooktacular time on Monday, October 31 as we celebrate Halloween! The festivities kick off at 10:00am with Trick or Treating throughout the halls, and after lunch we will have a Halloween Party in the Family Room! Hill Top Manor will supply the candy for Trick or Treating, and all residents wanting to participate in handing out treats will be sitting by their doors, waiting for the ghosts and goblins to arrive! Family members and grandchildren are welcome to come, as long as a Covid mask is part of their costume!

Every year on October 1, seniors are celebrated on National Seniors Day. In honor of this day, we will be holding a Resident Appreciation Tea on Wednesday, October 5 to show our residents how much they mean to us. We encourage all Hill Top residents to come!

"There is Magic in the Night
When Pumpkins glow by Moonlight"

Maxine Foss celebrated her 90th birthday on September 14th with cake and coffee in the Family Room. Her family was here to celebrate, as well as her friends at Hill Top Manor. When asked which birthday, so far, has been the best, Maxine said her 90th birthday was the most special because she is so fortunate to be 90, and because so many people came to help her celebrate!

Try This

How smart is your right foot?

1. While sitting in a chair, lift your right foot off the floor and make clockwise circles.
2. Now, while doing this, draw the number '6' in the air with your right hand. Your foot will change direction!

I guess there are some things that the brain cannot handle. Go ahead and try it again!

(If you haven't already!)

On Sept. 29th we enjoyed one last outdoor concert by Keith & Garry. The temperature was 29 degrees!

We snacked on 4 dozen Smile Cookies during Tim Horton's latest cookie fundraiser. With 100% of local proceeds going to The Family Place in Weyburn, that gave us something to smile about! 😊

Wild turkeys are native to Mexico. European explorers brought back wild turkeys in the 1500's. They were domesticated in Europe and later brought to North America by English colonists. The *domesticated turkeys* have white-tipped tails and *wild turkeys* have dark-tipped tails.

Why do turkeys gobble?

Only male turkeys can make a call known as a gobble. It is a mating call and attracts the hens. The wild turkey can make at least 30 different calls!

What's that wobbly thing on a turkey's neck?

The loose red skin attached to the underside of a turkey's beak is called a *wattle*. When the male turkey is excited, especially during making season, the wattle turns a scarlet red.

What is a baby turkey called? What is an adult turkey called?

The baby turkey is called a poult, chick, or even a turklette. An adult male turkey is called a tom and the female is a hen.

Can turkeys fly?

Wild turkeys can fly, but they prefer to walk or run.
