Happy Summer,

Just a quick update on the happenings at Good Shepherd. We have been busy getting our planters and garden beds filled. It was so nice to see those who participated, dig in and get their hands dirty. Next weeding time. Where do all those dandelions come from?

We held a Vendor's Market in May with 13 vendors. There were lots of shoppers and all vendors left happy. We look forward to doing another one possibly a Harvest Sale in August and one in November. Thank you to all who participated, it certainly made the residents happy and brightened their day.

Mother's Day celebration was a success and thank you everyone who attended. The residents always look forward to having company.

Now with summer here and the weather nice, when picking up a resident, please inform staff and sign them out at the front entrance.

We will be holding our Father's Day Celebration on Friday, June 16th. We invite everyone to come in and enjoy an afternoon treat. Let's make them feel extra special!

June birthday social will Friday, June 23, with entertainment by the Mama's.

Happy Birthday to those celebrating in June.
