

JULY 2023

Happy Canada Day 

Happy Canada Day

On our newsletter cover is a little guy that showed up. We're not sure where he came from or why he was here, but he certainly surprised a few people. Thankfully he was safely relocated by animal control, to a more suitable location.

Well, hard to believe we're already in July. It's been a hot dry summer so far, but I know we shouldn't complain, the next thing you know, it's going to be winter, but some of our plants have really taken a beating with the heat. On June 25th, we had a torrential down pour, but it was greatly appreciated.

With summer here there will be a few changes in entertainment and church services until September. Salvation Army Church will resume in September and Messiah Lutheran Church has a new pastor. We are sorry to hear of Pastor Dennis Serfas leaving. We wish him good luck, wherever his journey takes him. We have booked the Klassen's and newcomer, Gilles Francouer.

In August we will be planning our 2nd Annual Carnival. Val McDougall will be here with her animals, games for all ages and more. Last year we had so much fun with the residents, it was nice to get everyone outside to enjoy the day. I will provide more details, in next month's newsletter.

Just a reminder to friends and family, please let staff know if you taking a resident from the building or if you are taking them for a medical appointment, it is very important to inform staff. By providing this information, we can provide better care.

Stay safe and enjoy!

Happy Birthday to these wonderful folks celebrating in July!

We will have our monthly birthday celebration, July 21.
