The Care Home with a Heart

Hello Family & Friends,

Well, fall will soon be upon us and then comes, you know what...

Farmers are in the fields, harvesting and gardens being put away, canning well under way. There nothing more wholesome, than the fragrance of cooked fruit. Thank you to those who brought in fresh produce. It was greatly appreciated by the residents. We had a few tomato and pepper plants in the garden boxes and they did really well. Residents were able to pick and enjoy them at their leisure.

If anyone has a few small pumpkin or gourds they can spare for a fall craft, they would be greatly appreciated.

Just a reminder, Grandparents Day is Sunday September 10th. Coffee and dainties will be served on Saturday, September 9th.

Welcome to Good Shepherd: Helen Zelensky and Cecil McCulloch. Enjoy you new home.

It's with great sorrow we say good bye to Elden Moline. He will be missed by House 5 residents and the staff of Good Shepherd Villas. Sincere condolences going to his family. In the hearts that loved you, you will always be there. Rest well.

Good Shepherd Villas 2nd Annual Carnival

Thank you to Doreen White and Marg Somer for all their amazing work, helping out, for our 2ND annual GSV Carnival. Supplying us with volunteers and great prizes certainly made the day enjoyable. Staff were able to get most of the residents outside for some fun and a chance to take home a prize or 2, enjoy an animal balloon or even get a tattoo! Thank you to all the families who attended and making a difference in the day of senior.
