The Care Home with a Heart

Dear Family and Friends,

Fall is upon us and the palette of autumn colors are so heartwarming and rich. I love the fall, but I am always sad to see summer go. The hardest part for me is cleaning out the planters, when the plants are still thriving, but I know if I wait, I'll be doing it when there is snow on the ground.

We were very fortunate to such beautiful fall weather and it stayed dry enough for the farmers to harvest their crops and get them in the bins. That alone is a blessing. The residents of GSV would like to thank Pat, Karen and everyone who provided them with fresh produce through the summer. It was very much appreciated.

If you or any family member would like to receive the Recreation Calendar & Newsletter by email, you can message us at activitiesgsv@shaw.ca . There you will find dates for churches, entertainment or special events. Family and friends are always welcome to attend.

Anyone wishing to share a meal at GSV with family, the cost is \$8.00 and a 24 hours notice is required. Meal tickets are available at the main office. Please call 306-922-1202
