

Dear Family & Friends,

Well, tis the season to be jolly...and who wouldn't be, with the beautiful weather we're having and thinking how much shorter winter is going to be.

Good Shepherd is in full swing with decorating and upcoming events for next month. We have a full calendar and am happy to say we have the Ashden Irish Dancers, the Watsonaire's, Jerry and The Holy Spirit and The Klassen's, joining us along with our regular line up entertainers. Check out our calendar for dates.

Just a reminder, don't forget about Door Decorating. Dress up your door and express yourself. Cash prizes awarded to the best dressed door.

We will be having a special visitor on Dec. 20th. Santa will be making a brief appearance and handing out gifts to residents. It's always an exciting time for the residents and staff. Let's find out who was naughty or nice!

Come help celebrate with these lovely folks. December birthday celebration will be December 15th, with entertainment with Bill's Band. Everyone is welcome to attend.
