## Staff Corner

**James Tadeo, PSW**

I am deeply honored

to be part of Harwood Manor! I am very grateful to all the staff for their help, love and support in achieving my goals. Working with this organization in the past two years encourages me to focus and be more attentive to work on any task. It inspires me to show my best each day by creating a positive impact by applying my skills and abilities, which allows me to address challenges in achieving better results. I know that coming to work every day surprises us with lots of unexpected events. However, working as a team from the planning stage to the execution leads us to achieve all the set goals at the end of the day. Truly happy to be here and thank you to Harwood.

## Irene Jose, PSW

What a blessing to be part of this awesome organization, where since I begun two years past, friendship, growth and learnings blossom.

Working with the team, as we give the best service and care to our elderly, makes the task easier and enjoyable.

Serving our elderly inspires me to face life's struggles with confidence and determination and never giving in to discouragement on my way to achieving my dream.
