

HILLVIEW MANOR NEWSLETTER 2024

ISSUE TWO

February's weather was a bit of everything. Cold, icy, snowy, warm, melting. For our entertainers who travel to come to the Manor this winter has thus far provided for good highway travel. For this we are grateful.

The month of February was busy with musical entertainers, games, crafts and outings. We asked some of our folks if they were satisfied with the options offered to them. They all remarked that they were happy with the selections offered. Also they can pick and choose what they do or don't want to participate in.

Valentine's Day was celebrated with a party. Wilma Mantei provided the music (Happy Birthday Wilma). Tekena treated the folks to custom made cupcakes. They tasted as good as they looked. A new King and Queen were crowned. Congratulations to Ken and Pauline. At each place setting there were packets, sealed with a heart, that contained some chocolates. These were put together with help from some of our ladies.

I'll tell you one thing, if things keep going the way they are , pretty soon it will be impossible to buy a weeks groceries for \$20.00

-Have you seen the new cars coming out next year? It won't be long before \$5000 will only buy a used one

- When I first started driving, who thought gas would someday cost 24 cents a gallon!

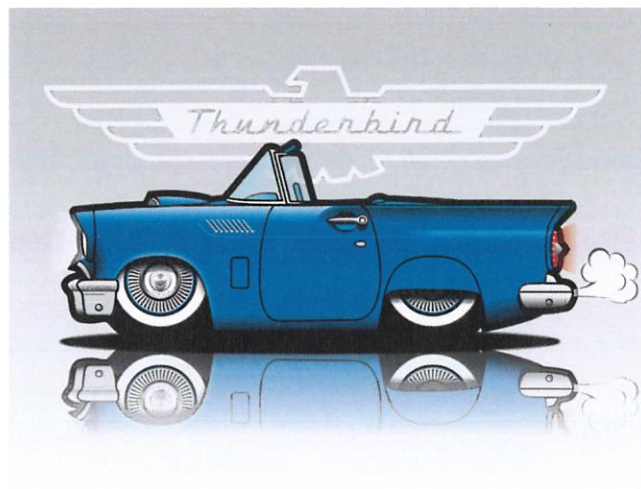

- There is no sense travelling anywhere on a weekend. It costs nearly \$15 a night to stay in a hotel.....ridiculous

- The drive in restaurant is convenient in nice weather, but I seriously doubt they will ever catch on

- If they think I will pay 50 cents for a hair cut, forget it

- If they raise the minimum wage to \$1, nobody will be able to hire outside help at the stores

- Did you hear the post office is thinking about charging a dime just to mail a letter?

Happy Birthday!!!!

February 17th.....Irene McKinney....86yr

February 22nd.....Grace Carlson 99 years young

February is often a cold, dark and short month for many people around the world. Amethyst is a gorgeous, richly coloured gemstone, which is a beautiful contrast to this time of year.

*When older people say,
“Enjoy them while
they are young.”
They are talking about your
knees and hips...not your kids*

*I'm ready for the rest of the week!!!!
I have my umbrella, my flip-flops, my mittens,
my suntan lotion, my winter coat, my
sunglasses, my long underwear, my ice tea and
my hot chocolate.*

*Kindness is the language the deaf can hear and
the blind can see*
