

HILLVIEW MANOR NEWSLETTER 2024

ISSUE SIX

It is hard to believe that we are now half way through 2024. It is crazy how fast the time really does go by. But for now we will all enjoy our coming summer months.

We had a number of folks come to the Manor to sing and provide entertainment for our residents. Those that came to share their talents with us were the Scasaka Family, Wilma and Val, Maggie, the Caragana Ramblers, Keith and Gary and Susan Shepherd.

Father's Day was celebrated at Hillview with a field trip to Souris Valley Museum. There are so many different artifacts to see so it really should be a step back in time for the "Dad's" Of course we must thank the family members who came to help us. The fair parade was also the same day, so once finished at the museum it was back home to the Manor to get everyone seated outdoors. Some folks braved the outdoors while many watched from inside. Sadly the weather decided to "rain on our parade" but we were still able to enjoy it. The parade starts at the schoolyard so our residents are right at the beginning of the parade route

We also had our monthly outing to Walmart and Tower Cafe for shopping and lunch. The folks always enjoy this outing.

On June 7/2024 Ernest Fleck passed away at St Josephs Hospital. His family was by his side. Family and his faith were important to Ernest. Ernest and Anne moved and made Hillview their home December 14/2020. We will miss him. We offer our condolences to Anne and the Fleck family

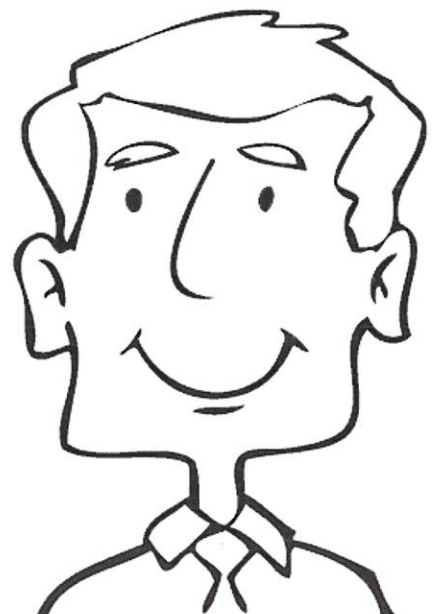

On Tuesday June 18/2024, Doreen Gibson passed away here at Hillview Manor. Doreen had made the Manor home since November 14/2019. She was a lovely lady, always kind, soft spoken and very gracious. Over the years Doreen kept herself busy within the Manor. Of course like so many others, Bingo was a fun activity. She rarely missed a game. Doreen liked some of the board games we played, the opportunity to work on a craft of some sort was always appreciated and of course the variety of entertainers were also something she enjoyed. BUT if there was curling on the tv then nothing else mattered. She loved to watch a good curling game. Doreen will be missed by so many. We offer our condolences to Doreens family

June babies can brag about having the most popular flower of all time as their birthflower.....the Rose
The meaning 31 of roses can vary depending on the colour.
But, overall they symbolize beauty, love, honour and devotion.

June has three birthstones for the month. The pearl, alexandrite, and moonstone. An interesting fact is that the pearl is the only gemstone made by living creatures....the mollusks.
