JULY 2024 NEWSLETTER

The Care Home with a Heart

Dear Family & Friends,

Well, hard to believe it's almost July. The weather certainly hasn't been the best. However, we were blessed with plenty of rain, now we could really use some nice warm weather. Our plants were off to a slow start but are beginning to pick up. We purchased 4-barrel planters for the residents and asked what they would like to have in them. Some said they would love to go out, pick some peas and eat a fresh raw carrot, fresh lettuce and of course tomatoes. We look forward to harvesting our little garden.

June was another busy month. Our Father's Day celebration was a success. Thank you, Alice McIntyre, for entertaining us on the piano. Each man received an adventure hat, decorated with sports, fishing, camping and travelling decals. They were all surprised and very happy to know how special and how much they mean to us.

The Gerald Lanes Band had their turn entertaining. They always provide us with oldies that remind the residents of their younger years, as well

as the Mama's. Bill's Band always draws a huge crowd. Thank you all, for the wonderful music.

The July birthday celebration will be on the 19th. Pop in for cake & coffee and help us celebrate!

We will be having our 3rd annual GSV Carnival on July 26th. We invite family and friends to attend. Come and check out our games of chance, tattoo parlor, balloon breaking and many others. There is something for everyone. Prizes galore.

Happy Birthday to you...Happy Birthday to you...

Goodbyes The residents and staff of GSV would like to express their sincere condolences, to the families of Cecil McCulloch and Tina Rosina. They will be missed, by all that live here and work here.

July will be another busy month in the city. For those looking for something to do, Canada Day Celebrations will be held in the Kinsmen Park and the Multicultural Council will be hosting a Multicultural Day on the riverbank. Check out the ethnic food, performers and vendors. Wrap up the evening with a fireworks
