## **DECEMBER 2024 NEWSLETTER**

**HAPPY HOLIDAYS**

**FROM OUR HOME TO YOURS**

Dear Family & Friends,

Well December is finally upon us and with this brings in the spirit of Christmas. Families, friends and neighbors will be preparing for the holidays with the anticipation of visitors and travelers.

With all the snow we have it appears we're going to have a very white Christmas.

Thank you to all those who are booked for caroling. The residents love seeing visitors and especially enjoy the added entertainment.

The home decorating and shopping are completed. GSV is busting with festive decorations and music. Thank you to the residents who helped decorate, an extra hand is always welcomed.

The Great Room has been booked for a few days over the Christmas Holliday. Anyone wanting to put their name on the list, please call GSV @ 306-922-1202.

The turnout for the craft sale went very well. The residents made over \$110 selling crafts. There are still some left if anyone is looking for a small gift idea.

Please see Geri or Luda. We will also be putting up our Used Clothing Boutique, most items are \$1.

Thank you to Pastor Rick Martin & Father DJ for officiating our Remembrance Day services. Also thank you to our 2 veterans for their years of service, Frank Brothwell & Ian “Ross” Ingroville.

**Helloes & Goodbyes** -It is with sadness we bid goodbye to “Bill” John Banks, and Mrs. Helen Thorpe. All will be missed by those who live here & work here.

So long to Millie Gauthier who has moved to Duck Lake. Enjoy your new home. Your humorous personality will certainly be missed.

We would like to welcome Mary Dowhay, Dianne Dowhay, Irene & Paul Thomas, Marilyn Unruh and Anne Boise. Welcome to your new home.

**Reminder: If you are picking up a resident from GSV, for the safety of the resident, please inform the staff. Front doors are locked between 6 & 7. Please call 306-922-1202 or ring the doorbell to be let in.**

**Enjoy your day and may all your hopes and dreams come true!**

Wishing everyone a very blessed holiday season. May the company of family and friends warm your heart and home always.

I would like to take a moment and reflect on my years of employment at GSV. I started on June 1, 2004. Over the years I met a lot of wonderful people, who have all found a special place on my heart. My saying was, "I'm still here, because I can't take them all home." There was a lot of truth in that saying.

Pat & the staff @ GSV have been an awesome bunch and great to work with, almost like family and I will miss you all very much. I will be leaving GSV on December 20<sup>th</sup>. I thought I'd would try out retirement and see if I can keep myself busy enough. I definitely will be back for a visit or to volunteer, or to check on the piece of my heart, that I'm leaving behind. Take care of each other...until next time...so long. Lots of love Sandra
