Asmita Shrestha, PSW

My name is Asmita and I have been working as a PSW at Harwood Manor for almost a year. I'm grateful for the opportunity of being able to work with such a supportive team and learning from their guidance. Even though the role of PSW is challenging, I feel great in helping the residents. I would like to thank our Boss for being such a great leader. I feel the way you lead our team is admirable and it constantly inspires me to do better my work everyday. I know that under your supervision, I'll continue to grow in my career.

Hira Niraula, Housekeeping

I'm Hira Niraula, originally from Nepal, and I'm thrilled to share my journey in Canada, where I've found a new home. Almost a year ago, I joined the Harwood Manor Family, caring for elderly parents. With over a decade of experience in Nepal's NGO and life insurance sectors, I was eager to bring my skills to Canada. Harwood Manor welcomed me with open arms, providing a warm, supportive work environment that truly feels like family. I'm grateful for this opportunity to serve seniors with compassion and community. This experience has been profoundly different from my previous roles, yet incredibly rewarding. I remain thankful to the Harwood Manor Family for embracing me and fostering my growth. I look forward to continuing my Canadian journey with enthusiasm and gratitude.

On behalf of Recreation Department,
we wish you a very joy-filled Christmas
in the company of your friends and
family. May the New Year bring you all
you've wished for.
