Dorothy Cubbon (May 3, 1936- December 24, 2024)

Dorothy passed away at the age of 88. She had been with us at Harwood for 6 years, leaving us with lots of memories. She came here with her cat who helped her feel at home. She loved to listen to music. Our deepest condolence and sympathy to her family and friends. Rest in peace Dorothy.

Howard Mattila (March 24, 1936- December 25, 2024)

Howard died at the age of 88. He was a farmer whose heart desired to bring life to the soil and harvest that life to provide for those in need. He had been with us for 2 years, together with his wife, Mary. Howard loved to play Crib and he always wanted to be involved in all activities, especially during exercises. He was a person with a good heart, always grateful and kind. Howard always tried to do things on his own and always cared for his wife. He will be deeply missed by his co-residents, staff, friends, family and his wife Mary. May his soul soar high in the company of the angels.

May their soul rest in peace in the arms of the Lord. Till we meet again..

Thank you to all the families who came and joined us in our Christmas supper
