**Russell Krake**

**Judith Liebaert {October 15, 1922-December 28, 2024}** Judith passed away at the age of 102. Although she was with us for a short time, her presence was amazing. She will be remembered appreciating things done to her with a smile. She was a teacher for many years and a loving wife. She loved music and being surrounded by her friends. Rest in Peace Judith. To her family and friends, our deepest sympathies and condolence.

**John Squire {March 12, 1924- January 13, 2025}**

John stayed at Harwood for 4 years and died at the age of 100. He came to Harwood with his wife Marlene, who died 2 years after. John grew up at the farm and opened different kinds of business. He loved music and visits from his friends. His sense of humor made him adorable to other residents. May his soul soar high with the company of the angels.

**Irene Bell (October 24, 1933-January 18, 2024)**

Born in Kerrobert in 1933 as the youngest of six, Irene grew up on a farm where her love for animals began. Her adventurous spirit shone through as she rode a horse to school - a trait that remained with her throughout her life. After completing school, she became a psychiatric nurse. Irene's boundless energy fueled her passion for baking, gardening, and sewing.

For the past 7.5 years, Irene lived at Harwood Manor, where she enjoyed gardening, delivering mails to the residents, and participating in entertainment events with singing and dancing. She also adored the resident cat, which perfectly reflected her lifelong love for animals.

**STAFF CORNER**

**Hunar Brar, PSW**

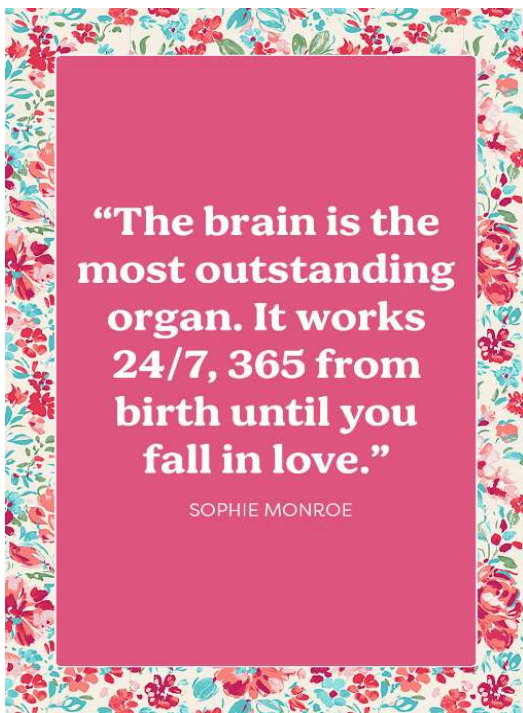

Over the past year as a PSW at Harwood Manor I provided care and support to residents, while navigating the emotional challenges of their health declines. This experience strengthened my caregiving skills. It has been an incredibly rewarding experience, and I am grateful for the opportunity to work with such a dedicated team and to support our residents. I look forward to making a positive impact and growing with the organization.

### Renuka Katuwal, Housekeeping

Hello, I'm Renuka, originally from Nepal. I've been working at Hardwood Manor for over a year now, and I genuinely enjoy my job and feel grateful to be part of this team. First and foremost, I'd like to thank our boss, Sharon. She's not only my supervisor but also a guardian figure who has supported me and my family every step of the way. Her guidance and coordination have made a significant difference in my life, and I will always be thankful for her kindness. I'd also like to express my appreciation to our maintenance staff, Larry. Since my first day, he has always been willing to help me when I need it. His support has made my job much easier, and I am grateful for his assistance. To my lovely residents, I offer my heartfelt thanks. Your love, support, and blessings mean the world to me. You have made me feel like part of the family. For me, Hardwood Manor is more than just a workplace; it's my second home. Thank you to the entire Hardwood Manor family for making me feel so welcome and valued."
