Fred Schmidt {March 5, 1929- March 6, 2025}

Fred passed away at the age of 96. He started farming at the age of 14 after his father died. He met Dorothy, the love of his life and had 2 boys. They had been married for 65 years. He and his wife came to Harwood last June 2023. He loved playing curling, watching Hockey and playing Bingo here at Harwood. Fred always wanted to be with his wife during activities. He was surrounded by his family on his last days. May his soul soar high. Our deepest sympathy and condolence to his wife Dorothy, family and friends.

May his soul rest in peace in the arms of the Lord. Till we meet again

We wish you good health and joy as you embark to your new home:

Alyssa Keisha, Recreation Staff

I have been working at Harwood Manor for almost two months now, and each day brings new experiences—whether in creativity, adaptability, or the joy of making meaningful connections. This role has been a wonderful teacher in empathy and engagement, and being surrounded by such an encouraging team makes the experience even more fulfilling. I am grateful to be part of this community.

Samantha Rijal, PSW

I am Samantha Rijal, originally from Nepal. I have been in Canada for less than a year now. It is my passion to work in the health care system, for whenever I see the residents, I remember my grandparents, especially their cute stories and personalities. Being with them does not make me feel like I miss my hometown much. In fact, I found home away from home in Saskatchewan. I would like to thank my Home Administrator who helped me and my family settle here in Canada. Thank you to the residents because you make my shifts relaxing and blessed!
